Simply put, Season of Concern is artists helping artists, family helping family, because sometimes you really do break a leg!

Since 1987, Season of Concern has collected more than three million dollars to direct-care AIDS service organizations. Over the past decade, we have expanded our mission to include assistance to hundreds of local theatre practitioners, union and non-union, who suffer ANY illness, injury or circumstance that prevents them from working. We are here to give local artists financial support to get them back on their feet.

Tonight, we will be collecting donations for Season of Concern on your way out of the theater. Your gift, be it large or small, is of vital importance to those who need it. Thanks again from all of us, and thanks on behalf of Season of Concern.
